

## Bacon Attributes

We use only special selected pork bellies from hogs that are fed a strict vegan diet of lean grains and raised with NO Antibiotics and NO added Hormones.

Taste for yourself and experience the rich, robust flavor of this slow-cured, thick sliced, hardwood smoked bacon.

One of the leanest bacons on the market

Slow-cured over natural hardwoods with our Hempler's Family recipe for a rich flavor

Thick gourmet cut for a meaty bite

Completely free of allergens, gluten and MSG

Our Pepper Coated Bacon is generously hand rubbed with pepper prior to smoking so pepper stays adhered to the bacon

Our Natural Uncured Bacon contains all of the above attributes plus;

No Nitrates or Nitrites Added

Sweetened with Organic Honey

Completely free of phosphates, artificial color, and chemical preservatives
